

Thesis submission guidelines:

Number of copies of the documentation

- Students have to prepare 4 copies of identical documentation (face to face students please enquire with your guide if 3 copies would sufficient *) of the thesis work.
- Students have to submit two copies to the examination section, one to director, School of Education Technology, Jadavpur University (except *) and one copy to be kept by the student.
- All four copies of documentation will have to be submitted in **thesis binding**.

Content guidelines for documentation

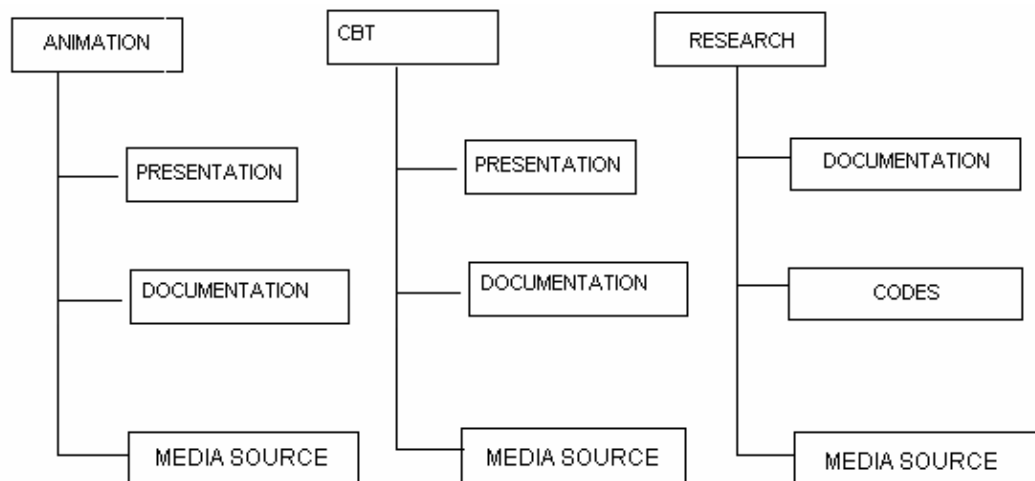

- The above mentioned documents will contain sample storyboard, script and corresponding screen shots of (maximum) 6 different screens for both animation and CBT.
- There will be one overall executive summary (for three parts) and individual executive summary for each part.

Additional documentation

- Full Storyboard and script of animation and CBT along with the flowchart and complete source code(if applicable) will have to be submitted in **spiral binding** to corresponding guide (for face to face mode students) or Programme Coordinator (for distance students)..

CD materials

- Each bound thesis should contain a CD/DVD which will contain final presentations and full documentation (with complete Story Board, Script).
- Content of CD/DVD and access procedure should be written within the documentation (may be as appendix).
- The CD/DVD content may be structured as follows:

**Director,
School of Education Technology, Jadavpur University.**
